Assignment 2

Due September 16th, 10:00pm ET

- Complete the Jupyter notebook "Assignment2.ipynb". The notebook consists of Markdown cells describing your tasks for the assignment, along with unfinished code cells that you need to complete.

- After completing the notebook, make sure i) all (necessary) code cells have been run and ii) that the changes you have made in VS Code have been saved.

- Upload your completed Assignment2.ipynb to Gradescope "Assignment 2". If you want to make changes, you can resubmit as many times as you'd like before the deadline.
